Provided that the mandatory eligibility requirements shall not apply to a student admitted on a special program seat pre-defined exclusively for a Federal Government program for foreign students under bilateral agreements with other countries. Such students shall also not be entitled to apply for a Full License to practice in Pakistan after having obtained their degree and will have to apply as foreign graduates subject to applicable licensing pathways.

4. **Admissions Process for Public Colleges.-** (1) Admissions to public colleges shall be conducted and completed by the respective government or authority under whose control the public college is established, operates and administered or any entity authorized by such government or authority for purposes of conducting admissions.
- (2) The government shall formulate the merit and admission criteria for the public colleges subject to at least fifty percent weightage given to the MDCAT score of an applicant for purposes of forming the final merit.

(3) The government or authority may create category of seats in the public colleges for purposes of admission in accordance with applicable law. No category shall be created which permits a student who has not qualified the MDCAT or be admitted in violation of the fundamental principle of merit as mandatorily applicable under Article 37(c) of the Constitution of the Islamic Republic of Pakistan, 1973.

(4) The final criteria for merit and admission including all category of seats shall be publicly announced by or before 1st August of each year. A copy of the criteria and categories shall be provided to the Authority by 1st August of each year.

(5) If any public scholarship or funded program requires seats to be allocated for its program in public colleges, the public authority responsible for such program shall seek and obtain the allocation of the required seats from the respective government or authority in respect of public colleges administered by them by or before 1st August of each year.

(6) The admission process shall be conducted through an online portal and in a transparent manner with the final merit lists and admission lists being provided to the Authority for purposes of review and record on the date of issuance of the merit list and admissions list.

(7) Admissions to medical and dental programs shall be conducted separately and each student shall be required to apply separately to a medical or dental program. A student having not applied to a given program shall not be entitled to admission to such program.

(8) The merit lists shall be made public by or before 10th December and admissions to public colleges shall be completed by or before 10th January of each year. Admissions to all special category seats not being on open merit shall be completed by 10th February of each year.

(9) The final list of admitted students shall be made public by or before 15th January of each year. Thereafter, upon final verification by the relevant universities with whom the college is affiliated the verified list shall be submitted by the university to the Authority in the prescribed manner through PMC Online within thirty days of completion of the admission. No admission shall be entertained and no student registered by the Authority if not admitted by or before 10th January except special category seats where students shall be admitted by or before 10th February.

Explanation: Admissions for the Academic Year 2022 shall be completed by 10th January 2022 whereas merit lists shall be made public by or before 10th December 2021.

(10) No public college shall admit any student beyond the total seats allocated by the Commission:

Provided that any students admitted on a special category seat pre-defined exclusively for a Federal Government program for foreign students under bilateral agreements with other countries who have not taken the MDCAT exam may be admitted over and above the allocated seats subject to such over and above admissions not being more than five percent of the total allocated seats of the college.

(11) Any allocated seat of a college which may remain vacant after the completion of admissions shall remain vacant subject to being available for an admitted student who may seek a transfer and where such transfers shall be permitted after 1st March of each year and the admitted student having received their registration from the Commission subject to any applicable rules of the affiliating university.

5. **Admissions Process for Private Colleges.-** (1) Admissions to private colleges recognized by the Authority shall be conducted and completed by each of the private college or through the university of which the college is a constituent college, affiliated to or administered, subject to the terms of affiliation mandated by each university in respect of conduct of admissions.

(2) Each of the private colleges shall publicly issue their criteria and merit formulation for admission and proposed tuition and all applicable fee and charges by 1st January of each year and make the same available on their college website and provide a copy to the Authority for review. The Authority shall review the criteria and merit formulation and fee and charges proposed and communicate any objection with reasons to the college within thirty days of the submission of the criteria by the college. The college shall amend its criteria, merit or fees as per objections raised by the Authority.

(3) A college which has attained less than an A Grade in its last inspection shall include in its admission criteria for calculation of merit at least a twenty five percent weightage for the students MDCAT score and at least a fifty percent weightage for the students HSSC or equivalent 12th grade qualification result;

Provided that for purposes of admissions for the Academic Year 2022, the last inspection conducted of a college prior to 1st June 2021 irrespective of under which previous criteria would be considered as final and applicable for purposes of this regulation and A Grade shall be deemed to be cumulative marks of 85% or more.

(4) There shall be no admission which violates the fundamental principle of merit and all admissions shall be strictly on merit as per the merit criteria announced by the college and pursuant to the fundamental principle of merit as mandatorily applicable under Article 37(c) of the Constitution of the Islamic Republic of Pakistan, 1973.

(5) Each college shall provide scholarships to deserving students on need basis where the annual value of such scholarships shall not be less than five percent of the total fee paid by the new admitted students in the given year.

(6) The admission process shall be conducted through an online portal and in a transparent manner. Each college shall publicly open their admissions by 1st July of each year allowing students to submit their applications for admission to their choice of colleges.

(7) Admissions to medical and dental programs shall be conducted separately and each student shall be required to apply separately to a medical or dental program. A student having not applied to a given program shall not be entitled to admission to such program.

(8) No college shall charge an application fee of more than Pakistan rupees one thousand from a student when applying for admission.

(9) A student may apply to public and private colleges.

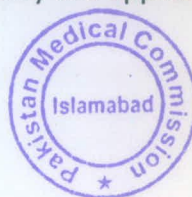

(10) For admission to a private college no distinction shall be made in terms of merit and criteria between a Pakistani, overseas Pakistani or foreign student. No college shall deny admission to a student on account them being a Pakistani, overseas Pakistani or foreign student.

(11) A student may apply for admission irrespective of them having taken the MDCAT or HSSC or equivalent 12th grade qualification exam subject to the requisite results being available and provided by the student to the college prior to 10th December of the relevant year. If any HSSC or equivalent 12th grade qualification result is delayed beyond 10th December the student's application for admission shall be retained by the college and shall be applicable for the next academic year.

(12) The college as per its declared criteria may conduct an aptitude test or interview of applicants subject to the structure of the interview and aptitude test being provided to the Authority in advance for review and such aptitude tests or interviews being held in a manner giving all applicants sufficient time to appear in such tests or interviews and in the case of conflict of schedules between two or more colleges a student shall be permitted to reschedule their test or interview. The test or interview, if required as part of the admission process, may be conducted at any time even prior to the announcement of the students MDCAT or HSSC or equivalent 12th grade qualification.

(13) The college shall maintain a record of each test or interview conducted by them along with a signed confirmation by the applicant of having appeared in the test or interview as the case may be. The Authority may call for the record of any test or interview conducted at any time and the college shall provide such record within forty eight hours of being requisitioned.

(14) The interview or test conducted by a college shall be solely to evaluate the academic aptitude of the student for purposes of enrollment in the medical or dental program and shall not in any seek to obtain or verify the applicants financial ability or

any weightage be given to an applicant's financial capacity in preparation of the final merit list.

(15) Each college shall issue a final merit list []¹ after having completed all tests, interviews etc. and taking into account results of MDCAT and other exam results for purposes of calculating the merit. The final merit list shall list all students who have applied to the college and fulfilled the minimum merit requirements. The merit list shall be issued on the college website and a copy provided to the Authority for review and record.

(16) The final merit list shall represent an offer by the college to the students on the basis of their merit against the allocated seats of each college. Any student not accepting the offer shall enable the next student in the merit list to avail of the offer.

(17) The college shall give to the applicant at least three working days to submit their fee which shall represent the acceptance of the offer by the student.

(18) The admissions to private colleges shall be completed by or before [30th]² January of each year. The final list of admitted students shall be submitted to the Authority in the prescribed manner through PMC Online by each college by or before [30th] January of each year. Thereafter, upon final verification of student credentials by the relevant universities with whom the college is affiliated the verified list shall be submitted by the university to the Authority in the prescribed manner through PMC Online within thirty days of completion of the admission. No admission shall be entertained and no student registered by the Authority if not admitted by or before [30th] January. []³

(19) Any allocated seat of a college which may remain vacant after the completion of admissions shall remain vacant subject to being available for an admitted student who may seek a transfer and where such transfers shall be permitted after 1st March of each year and the admitted student having received their registration from the Authority subject to any applicable rules of the affiliating university.

6. Verification of Credentials by Affiliating University.- (1) The affiliating university shall be responsible for verifying the credentials of a student admitted by a college including the student's matriculation, HSSC or equivalent 12th grade qualification.

(2) The affiliating university after having verified the credentials shall register the student in its record and submit the final verified list of admitted student of each of its

constituent or affiliated colleges to the Authority through PMC Online in the prescribed format within thirty days of the prescribed date for completion of admissions.

(3) The affiliating university shall be solely responsible for the verifications undertaken and its submission of the final verified list to the Authority shall represent a certificate of such verification. The university shall cancel any provisional admission where the credentials of a student are not verified.

- 7. Registration of Admitted Student.-** (1) A student admitted to a medical or dental college and whose admission is verified by the affiliating university shall be registered by the Authority as a medical or dental student.

(2) The CNIC of the student shall represent the students registration number and shall continue as the unique identification of the student throughout the period of the educational program and thereafter, for purposes of applying for licensing.

- 8. Student Fees payable to Authority.-** (1) Every student admitted to a medical or dental college and registered with the Authority shall pay to the Authority annually a Student Fee as notified by the Authority, either directly or through its college:

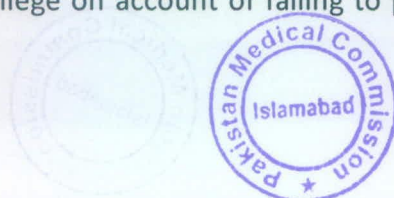

Provided the Authority shall notify each year the Student Fee applicable to the students enrolled in the given year and such notified fee shall be applicable at the same rate to the student throughout their program and enrollment at the college.

(2) The annual Student Fee paid by the registered student shall include the student's initial registration with the Authority, fee for the first attempt of each of the steps of the National Licensing Exam and the fee for the Provisional License when applied by the student:

Provided that students enrolled in medical or dental colleges prior to 15th December 2021 shall pay the annual Student Fee from 2022 and where such fee paid by them shall be adjusted towards the fee for the National Licensing Exam and application for Provisional License with the student requiring to pay any balance amount to the Authority at the time of taking the National Licensing Exam or applying for the Provisional License, as the case may be.

(3) Student Fee shall be payable by each enrolled and registered student by or before 15th March of each year failing which the students registration shall be suspended and penalty on any late fee equivalent to ten percent of the fee for each month the fee is delayed shall be imposed. Any fee not paid after a delay of more than sixty days shall render the students registration to be cancelled.

(4) A registered student who either elects to leave the medical or dental program or is expelled from the college on account of failing to pass the professional exams or for

any other reason shall have their Student Fee paid treated as forfeited and no refund shall be claimed.

9. **Payment and Charging of Fee by College.-** (1) The college shall prescribe the tuition fee for the entire duration of the program divided on an annual basis, which shall not be enhanced for the student during the entire duration the student remains in the program.

(2) The Authority shall not review the tuition fee notified by a college having attained Grade A in its last inspection. A college having attained Grade B in its last inspection shall charge a tuition fee which is at least less than ten percent of the lowest tuition fee charged by a college in Grade A. A college having attained Grade C in its last inspection shall charge a tuition fee which is at least less than ten percent of the lowest tuition fee charged by a college in Grade B;

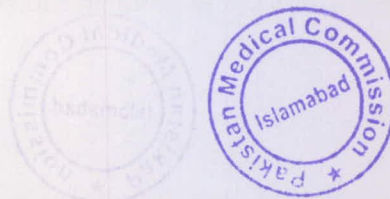

Provided the Authority may review the tuition fee and charges of any college on the basis of being commensurate with their costs and not an unreasonable profit margin being imposed;

Provided further that only for the year 2021-2022, colleges having an F or 'No Score' mark in their last valid inspection be treated for the purposes of application of all relevant regulations same as a college having acquired a C mark in the last inspection⁴.

- (3) The college may in addition prescribe other charges in the following categories;

- a) first time registration of the student not being more than two percent of the annual tuition fee;
- b) hostel rental charges on a per month basis applicable if the student uses the hostel facility;
- c) transport charges on a per month basis applicable if the student uses the college offered transport facility subject to any transport provided by the college between its academic building and its teaching hospital shall not be charged to the student; and
- d) food charges on a per meal basis applicable if the student uses the meal plan offered by the college.

⁴ Sub- regulation 2 of regulation 9, second proviso [Provided further that only for the year 2021-2022, colleges having an F or 'No Score' mark in their last valid inspection be treated for the purposes of application of all relevant regulations same as a college having acquired a C mark in the last inspection] is added by Council Decision dated 09 July 2021.

(4) Notwithstanding scholarships granted to a student, the college shall charge the same fee to all Pakistani Students. The college may charge a higher fee from a Foreign Student.

(5) A student shall have the right to pay the tuition fee on a quarterly, six monthly or annual basis to the college. A student paying the college on a six monthly basis in advance shall be granted a two percent discount in the tuition fee and a student paying the college on an annual basis in advance shall be granted a four percent discount in the tuition fee.

(6) A college may require a student to obtain health insurance subject to the student having the option to acquire such insurance from its own sources or the insurance provider recommended by the college. No other insurance in terms of payment of fee shall be mandatorily imposed upon the student by a college. A college shall be at liberty to obtain any insurance to cover its risk of future fee/revenues without encumbering the student with the premium payable on any such insurance obtained by the college for its benefit.

(7) No student shall be required to provide any form of security for payment of fee by a college.

(8) A student who defaults in payment of tuition fee shall be liable to be expelled by the college subject to a reasonable period being granted to the student to remedy the defaulted fee. A college who expels a student on account of default in payment of tuition fee shall notify the Authority within one week and the student's registration with the Authority shall be cancelled permanently. A student expelled shall not be eligible to seek admission to any other medical or dental college for a period of one year.

(9) If a student after having obtained admission seeks to either leave the program or seeks to transfer from the college, the college shall have the right to adjust the tuition fee already paid pro rata to the period spent by the student in the program along with a penalty not exceeding ten percent of the total annual fee in the event the student seeks to leave the program in the middle of the academic year to transfer to another college.

10. Review of Admissions Process by Authority.- (1) The Authority may review the admissions process of each college during and on completion of the process where such process shall be completed by the Authority within thirty days of the final date of admissions.

(2) If the Authority finds any irregular admission having been made by the college, the Authority shall have the right to cancel such admission subject to having granted both the college and the affected student a right to be heard.

(3) A student may submit a complaint to the Authority or the Medical Tribunal in respect of any irregular admission made or admission invalidly refused by a college. Such complaint if made to the Authority shall be heard and decided within fifteen days of the same being submitted after hearing both the complainant and the college.

11. **PMC National Scholars.**-Any applicant for admission to a medical or dental program may upon having applied for admission apply for grant of a PMC National Medical Scholarship in the manner prescribed. If an applicant is granted a scholarship, the applicant shall inform the college it has applied to so that the college does not reject the acceptance of admission of the applicant pending payment of the scholarship amount.

CHAPTER III CURRICULUM

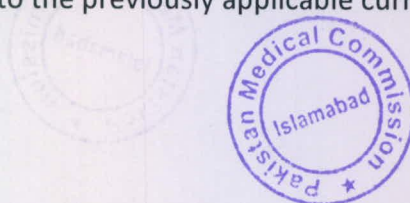

12. **Curriculum of Undergraduate Programs.**- Each college and university shall strictly follow the curriculum for MBBS and BDS programs as formulated by the National Medical and Dental Academic Board and approved by the Medical and Dental Council in pursuance of the respective degree programs.

13. **Teaching Methodology.**- (1) Each university or college may formulate a syllabus based on the approved curriculum for the relevant MBBS or BDS program for purposes of teaching students at the college.

(2) A college may follow any teaching methodology as may be permissible by its affiliated university and subject to such methodology not being in conflict with any general teaching methodology structures prescribed by the National Medical and Dental Academic Board.

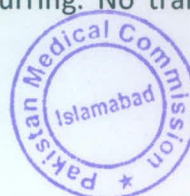

(3) All universities to whom medical or dental colleges are affiliated shall seek to as best as possible harmonize their programs over the duration of the program to ensure that students transferring from one college to another where both colleges are affiliated to different universities, are not at an unreasonable disadvantage in terms of the expected competencies required under the prescribed curriculum.

14. **Change in Curriculum.**- In the event that the National Medical and Dental Academic Board recommends any major change in the curriculum of a program, upon approval by the Medical and Dental Council, the altered curriculum shall be applicable to the students admitted in the next academic year after the altered curriculum is notified. All previously admitted students shall follow the earlier curriculum, unless otherwise prescribed by the Board subject to a prescribed methodology to ensure existing students are able to fulfill the altered curriculum requirements if the same are substantially in addition to the previously applicable curriculum.
